**Brief Description:** Pristine, traditional home welcomes you with a rocking chair porch and spacious rooms. Enjoy the newly renovated kitchen, formal dining with views from bay windows and oversized great room boasting a fireplace. Step onto the deck to wooded vistas and fenced backyard where your gate opens onto miles of trails in Hobby Park. Retreat to solitude in large bedrooms on the second story. The basement has a finished study/playroom and separate laundry. Large mudroom and garage provide great parking and vast storage. Rest assured minutes from the hospital and shopping in a neighborhood other residents have chosen to call *home*.
