Brief Description: Two story home in Ardmore built in 2000! Perfect location for those who desire a quick and easy access to the hospitals. Located in a quiet cul-de-sac with fenced back yard and deck. Living room has a gas-log fireplace and opens to the deck. Formal dining room. Large kitchen with ample cabinet space and breakfast nook. Master bath has jetted tub and dual sinks. Laundry room upstairs. Two car garage with access to the backyard. Unfinished half basement is ideal for a workshop or additional storage. All major appliances stay with the home (washer, dryer included).
