Brief Description: Beautiful 3 bedroom/2 bathroom home with enormous bonus room upstairs which could be used as a fourth bedroom. Large living room with vaulted ceilings, tray ceiling in dining room, master bath with double vanity, jetted Jacuzzi tub and separate shower, laminate wood flooring in main areas and new carpet in bedrooms. Large fenced back yard which backs up to woods for privacy, covered front and back porch, security system, gas fireplace, oversized 2 car garage, tons of storage, and many other extras/updates throughout. Convenient to hospitals, schools, and shopping. Meticulously maintained; must see to appreciate!
